EXPLANATORY STATEMENT

This Bill seeks to amend the Property Tax Act (Cap. 254).

Clause 1 relates to the short title and commencement.

Clause 2 amends section 2 (Interpretation).

Clause 2(a) and (b) inserts new definitions of “Minister” and “Street and Building Names Board” or “SBNB”, respectively, in section 2(1). In particular, the new definition of “Minister” makes clear the division of responsibility for matters under the Act between the Minister charged with the responsibility for finance and the Minister charged with the responsibility for national development.

Clause 2(c) and (e) amends the definition of “structural network” in section 2(1) to clarify, for the avoidance of doubt, that any part of a structural network (which may be comprised of one or more pipelines, etc.) may be regarded as a structural network for purposes of the Act.

Clause 2(d) also amends the definition of “structural network” in section 2(1) by extending the definition of “structural network” to one that is used *or intended to be used* for a purpose specified in paragraph (a) of the definition. This will allow tax to be imposed on a structural network or any part thereof that has been built or constructed but has not yet been put to use.

Clause 2(f) makes a technical amendment to section 2(8).

Clause 3 amends section 4(1) (Responsibility of Comptroller) to clarify that the responsibility of the Comptroller of Property Tax (the Comptroller) for carrying out the provisions of the Act does not extend to matters relating to the functions and duties assigned to the Street and Building Names Board.

Clause 4 amends section 6 (Charge of property tax).

Clause 4(a) amends section 6 by making technical changes to the drafting of subsection (6) to clarify the same, and by inserting a new subsection (6A). The new subsection (6A) provides for the exemption from property tax of land that is used or will be developed or is being developed into a building for use principally for any purpose specified in subsection (6). The Comptroller must be satisfied of such use before the land can be exempted from payment of tax.

Clause 4(b) amends section 6(14) to provide that a claim for tax refund must be made within 5 years (instead of 6 years) of the excess payment.

Clause 5 amends section 19 (Notice of transfer of property).

Clause 5(a) deletes subsections (2), (4), (5), (6) and (12) of section 19 so as to remove the requirement that notice be given of the circumstances referred to in those subsections by owners and other persons to the Chief Assessor.

Clause 5(b) makes technical changes to the drafting of section 19(9) to clarify the intent of the same.

Clause 5(c) inserts a new subsection (10A) in section 19 to provide that an owner is not required to give the notice required under subsections (9) and (10) if, in the 15-day period referred to in those subsections, the relevant instrument is stamped with duty under the Stamp Duties Act (Cap. 312).

Clause 6 amends section 20 (Amendment of Valuation List).

Clause 6(a) and (b) amends section 20(2) to provide that the annual value may be revised by taking into account the development costs or gross takings or receipts of that or similar property.

Clause 6(c) amends section 20(2)(c) (which currently refers to buildings) so that it applies to tenements as well.

Clause 6(d) amends section 20(2)(d) (which currently refers to property) so that it applies to any part of such property as well.

Clause 6(e) inserts a new subsection (4A) in section 20 to allow the Chief Assessor to correct any clerical or arithmetic error in the Valuation List affecting the annual value of any property, by making alterations, and cancelling and replacing notices. However, such alteration or cancellation cannot be in respect of any period exceeding 5 years prior to the date on which the Chief Assessor ascertains the error to exist.

Clause 7 amends section 20A (Objection to Valuation List).

Clause 7 amends section 20A(6) to introduce a time limit. Under the amendment, the Chief Assessor may, in respect of a notice of his decision relating to an objection to the Valuation List which is inaccurate in any material particular, cancel the notice and replace it with another notice, within a period of not more than 5 years after the service of the first-mentioned notice.

Clause 8 amends section 21 (Tax on new buildings, etc.).

Clause 8(a) amends section 21(1), (3), (5) and (8) to extend the application of those subsections to tenements so as to allow the Chief Assessor to recover tax in respect of tenements for previous periods of time in different scenarios.

Clause 8(b), (c) and (d) amends section 21(2), (4) and (6), respectively, to extend their application to tenements, and also to use wordings consistent with section 19(8) in referring to revised annual values that may be ascribed in subsequent Valuation Lists.

Clause 8(e) amends section 21(7) to include tenements, and to remove the limitation period of 6 years for claims of tax under that subsection. The limitation period will

instead be provided for in accordance with the new subsection (8B) inserted by clause 8(f).

Clause 8(e) also inserts a new subsection (7A) in section 21 to provide that where a statutory land grant or State lease or a lease of property by a public authority (where the public authority is the lessor) for a period exceeding 3 years is leased or transferred, and is included in the Valuation List (whether for the first time or otherwise), the tax will be payable from the date of the transfer or date of commencement of the lease, calculated based on the revised annual value which may be ascribed to the property in a subsequent Valuation List.

Clause 8(f) inserts a new subsection (8A) in section 21 to provide that where any property is to be or is being re-developed and no action has been taken to amend the Valuation List in respect thereof for any reason, tax is payable from such date as the Comptroller may determine, calculated according to the revised annual value which may be ascribed to the property in a subsequent Valuation List.

Clause 8(f) also inserts a new subsection (8B) in section 21 to impose (in respect of the recovery of tax) a time limit of 5 years before the 1st of January of the year in which the notice of inclusion in or amendment to the Valuation List has been issued.

Clause 9 amends section 22 (Collection of taxes under section 21).

Clause 9(a) amends section 22(1) to empower the Comptroller to demand the payment of tax that is payable under section 19(8) (which deals with the situation of a building or part of a building that is demolished or removed).

Clause 9(b) amends section 22(4) to introduce a time limit. Under the amendment, the Comptroller may, in respect of a notice of his decision referred to in section 21(3) relating to an objection to a demand for payment of tax due pursuant to section 21, cancel the notice and replace it with another notice within a period of not more than 5 years after the service of the first-mentioned notice.

Clause 10 amends section 49 (Street and Building Names Board).

Clause 10(a) deletes and substitutes subsection (2) of section 49 to provide that the Street and Building Names Board (the SBNB), in addition to its current function of naming and altering the names of buildings, estates and streets, is to have such other functions and duties as are conferred by the Act.

Clause 10(b) inserts a new subsection (9) in section 49 to allow the SBNB to authorise any officer in the employment of a statutory authority to assist the SBNB in performing any of the functions and duties of the SBNB under the Act. The statutory authority must be one that has been approved by the Minister charged with the responsibility for national development for this purpose.

Clauses 11 and 12 amend section 50 (Name of building, estate or street) and section 52 (Penalty for numbering or naming property, estate or street without authority of Comptroller), respectively, to transfer certain functions of the Comptroller to the SBNB.

Clauses 13 to 18 make consequential amendments to section 56 (Penalty for obstructing Comptroller, etc., in carrying out his duties), section 58 (Comptroller, etc.,

The amendments provide for powers of enforcement in respect of the functions and duties of the SBNB.

The amendment to section 33(4) further provides for the interest to commence from the date the decision of the Valuation Review Board is first pronounced in respect of an appeal made to it.
