EXPLANATORY STATEMENT

This Bill seeks to amend the Central Provident Fund Act (Cap. 36) for the following main purposes:

- (a) to make changes relating to the exemption from the requirement to set aside or top-up the retirement sum (RS) where a member of the Central Provident Fund (member) has a pension, annuity or other benefit approved by the Central Provident Fund Board (the Board) with a monthly income of not less than the payout benchmark applicable to the member specified by the Minister in accordance with the new section 15(8CA);
- (b) to allow greater flexibility in the withdrawal and payment of monthly income from the retirement account (RA) or under the Lifelong Income Scheme (LIS), respectively;
- (c) to allow flexibility in the top-up limit, in relation to different classes of persons —
 - (i) for transfers from the moneys standing to the credit of a member to the special account (SA) or the RA of a relevant individual (defined under section 2); and
 - (ii) for payment to the RA of a member;
- (d) to provide that the top-up limit for transfers from a member’s ordinary account (OA) to the member’s SA is to be computed in accordance with regulations made under section 77(1).

Clause 1 relates to the short title and commencement.

Clause 2 amends section 2(1) to insert definitions of “approved annuity” and “approved bank” to consolidate the existing definitions of “approved” in section 15(16) and “approved annuity” and “approved bank” in section 27A. This is to distinguish these from pensions, annuities and other benefits approved under amended section 15(7A)(e) and (8)(e). The definition of a new term “payout benchmark applicable to the member” is also inserted.

Clause 3 amends section 13(7H) as a consequence of the repeal and re-enactment of section 18B in clause 6.

Clause 4(a) and (f) amends section 15(7) and (16) to provide, respectively, that a member is entitled, at any time on or after the entitlement date, to withdraw a monthly income from the member's RA, and to define "entitlement date" as a date specified by the Board that falls in the month in which the member attains the prescribed age (defined in section 2).

Clause 4(b) and (c) amends section 15(7A)(e) and (8)(e) to refer to the payout benchmark applicable to the member which is specified by the Minister in accordance with the new section 15(8CA) (inserted by clause 4(d)). Under the new section 15(8CA), the Minister —

- (a) may specify different amounts of payout benchmark for different classes of members, taking into account life expectancy;
- (b) must publish the payout benchmark applicable to each class of members in a manner accessible to the public; and
- (c) may, on a member's application, specify a lower payout benchmark.

Section 15(7A)(e) is also consequentially amended to clarify that a member can make a withdrawal under that subsection of an amount determined by the Board, whether or not the monthly income from a pension, annuity or other benefit approved by the Board is less in value than the payout benchmark applicable to the member.

Clause 5(a) amends section 18(1)(a) and (3)(a) to clarify that the Board has flexibility in determining such portion of the sum standing to a member's credit in the Fund (that does not exceed an amount that is prescribed in regulations) that may be transferred to the RA or SA of a relevant individual.

Clause 5(b) inserts new section 18(8A) and (8B) to allow —

- (a) the Minister to prescribe or specify different maximum amounts that may be transferred by different classes of members to different classes of relevant individuals for the purposes of section 18(1)(a), (2)(a) and (3)(a) and different maximum amounts that may be paid by different classes of persons to different classes of members for the purposes of section 18(2)(b); and
- (b) the Board to determine different portions that may be transferred by different classes of members to different classes of relevant individuals for the purposes of section 18(1)(a), (2)(a) or (3)(a).

Clause 6 repeals and re-enacts section 18B (which allows transfers from a member's OA to the member's SA) to provide for the special account top-up limit to be computed in accordance with regulations made under section 77(1).

Clause 7 amends section 27A to delete the definitions of “approved annuity” and “approved bank”, which are now found in section 2.

Clause 8 amends section 27J, consequential to the amendments to section 27K, to clarify the definition of “relevant age”.

Clause 9 amends section 27K(1) and (6) to allow the Board to commence paying a member a monthly income under the LIS in or after the month in which the member attains the relevant age.

Clause 10 makes the following amendments to section 77(1)(o):

- (a) the references to the sections to which the regulations made under that paragraph relate are updated;
- (b) amendments to sub-paragraph (iii) that are consequential to the amendments to section 15(7) allowing withdrawal on or after the entitlement date (definition of “entitlement date” as inserted in section 15(16));
- (c) the deletion and substitution of sub-paragraph (vii), to allow regulations to be made to require setting aside in, or topping-up of, a member’s RA in certain circumstances where a member’s pension, annuity or other benefit approved by the Board for the purposes of section 15(8)(e) is surrendered or terminated.

Clause 10 also amends section 77(1)(oa) to allow regulations to be made to prescribe the method of computing the special account top-up limit mentioned in section 18B.
