Moratorium on rent recovery

- (g) the appointment of a receiver or manager over any property or undertaking of the tenant or the tenant's guarantor or surety; 5
- (h) the commencement or levying of execution, distress or other legal process against any property of the tenant or the tenant's guarantor or surety; 10

(6) To avoid doubt, this section does not affect the other rights and obligations of the applicable landlord and the tenant under the lease agreement.

Rental relief

19H.—(1) Subject to Division 4 and the regulations mentioned in section 19E, on the date the owner of a prescribed property receives a notice of cash grant pertaining to a PTO of that property, the following (called in this Division the rental relief) are treated as waived:

(2) If subsection (1) applies, then, despite any law or anything in the lease agreement —

(a) the tenant is not liable for rent that is payable under the lease agreement for the prescribed period of an amount up to the prescribed amount, and for any interest or other charge on that amount;

- (b) if the tenant has already paid to the tenant's landlord any rent for all or any part of the prescribed period (including any interest or other charge on such rent) under the lease agreement, then the rent payable by the tenant for the remaining period of the lease agreement is reduced by the amount paid up to the prescribed amount (called in this section the deductible amount), in the order described in paragraph (c); 5
- (c) for the purposes of paragraph (b), the rent payable for the earliest period of time under the lease agreement is reduced first, followed by the rent payable for the next earliest period and so on; and 10
- (d) if paragraph (b) is inapplicable, or there is any balance of the deductible amount remaining after any reduction under that paragraph, the tenant's landlord must immediately refund to the tenant the deductible amount or the balance, and the deductible amount or the balance is recoverable from the tenant's landlord as a debt due to the tenant. 15 20

(3) To avoid doubt, the amount of rental relief given under this section to a tenant of a prescribed property is not limited to or determined by the amount of cash grant disbursed under the terms of the public scheme that pertains to a PTO of the property.

Authority's request for information or documents

19I.—(1) The Authority may, by written notice to the owner of a prescribed property, or any landlord or tenant of a prescribed property, require that person to provide, within the time specified in the notice, such information or document as the Authority may reasonably require for the purposes of administering the public scheme. 25 30

(2) Any person who receives the notice must comply with the notice.

(3) A person who, without reasonable excuse, fails to comply with subsection (2) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000.

(2) If subsection (1) applies, then, despite any law or anything in the lease agreement —

- (a) the tenant is not liable for rent that is payable under the lease agreement for the additional prescribed period of an amount up to the prescribed amount, and for any interest or other charge on that amount;
- (b) if the tenant has already paid to the tenant's landlord any rent for all or any part of the additional prescribed period (including any interest or other charge on such rent) under the lease agreement, then the rent payable by the tenant for the remaining period of the lease agreement is reduced by the amount paid up to the prescribed amount (called in this section the deductible amount), in the order described in paragraph (c);
- (c) for the purposes of paragraph (b), the rent payable for the earliest period of time under the lease agreement is

reduced first, followed by the rent payable for the next earliest period and so on; and

- (d) if paragraph (b) is inapplicable, or there is any balance of the deductible amount remaining after any reduction under that paragraph, the tenant's landlord must immediately refund to the tenant the deductible amount or the balance, and the deductible amount or the balance is recoverable from the tenant's landlord as a debt due to the tenant.

5

(3) To avoid doubt, the amount of additional rental relief given under this section to a tenant of a prescribed property is not limited to or determined by the amount of cash grant disbursed under the terms of the public scheme that pertains to a PTO of the property.

10

Division 4 — Reversal or reduction of rental relief and additional rental relief

15

Registrar of rental relief assessors

19K.—(1) The Minister is to appoint a Registrar of rental relief assessors.

(2) The Minister may, in addition, appoint Deputy Registrars of rental relief assessors.

20

(3) Subject to regulations made under section 19X, all the powers and duties conferred and imposed on the Registrar may be exercised by a Deputy Registrar.

Panel of rental relief assessors

25

19L. For the purposes of section 19M, the Minister must appoint a panel of rental relief assessors comprising such number of persons who satisfy the requirements prescribed for the purposes of this section.

Application for determination as to tenant's entitlement to rental relief or additional rental relief

5 **19M.**—(1) This section applies when the owner of a prescribed property receives a notice of cash grant pertaining to a tenant that is purportedly a PTO of that property (called in this Division the subject tenant).

10 (2) Any landlord (including the owner) of the property in the PTO chain (called in this Division the applicant landlord) may, within the prescribed time, apply in the prescribed form and manner to the Registrar to appoint a rental relief assessor to make a determination —

- (a) whether the subject tenant satisfies the prescribed criteria for a PTO;
- 15 (b) whether the subject tenant (being a PTO) satisfies the prescribed additional criteria for the additional rental relief; or
- (c) whether the applicant landlord satisfies the prescribed criteria for a reduction of the additional rental relief.

20 (3) A copy of the application under subsection (2) must be served within the prescribed time on all the landlords (including the owner) and tenants of the property in the PTO chain and such other person as may be prescribed.

25 (4) If the Registrar is satisfied that the application is made and served in accordance with subsections (2) and (3), the Registrar must appoint a rental relief assessor to determine the application and must serve a notice of the appointment on the applicant landlord and the persons mentioned in subsection (3).

Assessor's determination

30 **19N.**—(1) On the application of the applicant landlord under section 19M for an assessor's determination, the rental relief assessor must make a determination whether —

- (a) in the case mentioned in section 19M(2)(a) — the subject tenant satisfies the prescribed criteria for a PTO;

(b) in the case mentioned in section 19M(2)(b) — the subject tenant (being a PTO) satisfies the prescribed additional criteria for the additional rental relief; or

(c) in the case mentioned in section 19M(2)(c) — the applicant landlord satisfies the prescribed criteria for a reduction of the additional rental relief.

5

(2) For the purpose of subsection (1)(a), a notice by an officer of the Authority that a tenant is or is not a PTO is *prima facie* evidence of that fact.

(3) The assessor's determination is binding on all the landlords (including the owner) and tenants of the property in the PTO chain and all parties claiming under or through them, and such other person as may be prescribed.

10

(4) There is no appeal from an assessor's determination.

(5) Sections 14, 15 and 15A apply to proceedings before a rental relief assessor under this section as if a reference to an assessor in those sections is a reference to a rental relief assessor.

15

(6) Sections 16 and 17 apply to the Registrar or a rental relief assessor when carrying out his or her functions and duties under this Part as they apply to the Registrar of assessors or an assessor mentioned in Part 2 when carrying out his or her functions and duties under Part 2.

20

(7) The Registrar must notify the Authority of any application made under section 19M and the outcome of that application, within such time and in such manner as may be agreed between the Registrar and the Authority.

25

Reversal or reduction of additional rental relief

19O.—(1) If a rental relief assessor determines under section 19N(1)(a) that the subject tenant does not satisfy the prescribed criteria for a PTO, then —

30

(a) every tenant of the property in the PTO chain is liable to the tenant's landlord for the amounts waived under sections 19H(1) and 19J(1) for the tenant with effect from the respective dates such amounts would have been due under, and to the extent provided by, the lease agreement between the tenant and the tenant's landlord as if those provisions did not apply; and

(b) any amount received by the tenant from the tenant's landlord under section 19H(2)(d) or 19J(2)(d) is recoverable from the tenant as a debt due to the tenant's landlord.

(2) If a rental relief assessor determines under section 19N(1)(b) that the subject tenant does not satisfy the prescribed additional criteria for the additional rental relief, then —

(a) every tenant is liable to the tenant's landlord for the amount waived for the tenant under section 19J(1) with effect from the date such amount would have been due under, and to the extent provided by, the lease agreement between the tenant and the tenant's landlord as if that provision did not apply; and

(b) any amount received by the tenant from the tenant's landlord under section 19J(2)(d) is recoverable from the tenant as a debt due to the tenant's landlord.

(3) If a rental relief assessor determines under section 19N(1)(c) that the applicant landlord satisfies the prescribed criteria for a reduction of the additional rental relief, then the prescribed amount mentioned in section 19J(1)(a) that applies to the applicant landlord is reduced by a prescribed proportion, and subsections (1)(b) and (2) of section 19J are to apply accordingly.

Division 5 — Statutory repayment schedule

Statutory repayment schedule

19P.—(1) A PTO of any prescribed property who satisfies the additional criteria prescribed for the additional rental relief may, by written notice, elect to pay the outstanding rent payable under the PTO's lease agreement for the prescribed property and any interest or other charge (however described) on the outstanding rent in accordance with a statutory repayment schedule described in subsection (2).

(2) A statutory repayment schedule is a schedule for the repayment of the outstanding rent and interest or other charge mentioned in subsection (1) that satisfies all of the following conditions:

(a) the outstanding rent is for any period during the period starting on 1 February 2020 and ending on the last date of the section 3 prescribed period only;

(b) subject to paragraph (c), if any interest or other charge (however described) is payable on the outstanding rent under the lease agreement (called in this section the contractual interest rate), then —

(i) where the contractual interest rate does not exceed the prescribed interest rate (or amount) — the interest or other charge on the outstanding rent is computed at the contractual interest rate or at such lower interest rate (or amount) as the PTO and the PTO's landlord may agree upon; or

(ii) where the contractual interest rate exceeds the prescribed interest rate (or amount) — the interest or other charge on the outstanding rent is computed at the prescribed interest rate (or amount) or at such lower interest rate (or amount) as the PTO and the PTO's landlord may agree upon;

(c) interest or other charge is not payable on any interest or other charge mentioned in paragraph (b);

(d) the maximum repayment period provided in the schedule is the shorter of the following:

(i) a period not exceeding a prescribed period;

(ii) the remaining period of the lease agreement;

(e) the schedule provides for the payment of the outstanding rent mentioned in paragraph (a) (together with the interest or other charge (if any) mentioned in paragraph (b)) in equal repayment instalments for each month in the repayment period;

(f) the payment of the first repayment instalment under the schedule starts after the service of the written notice mentioned in subsection (1) and no later than the prescribed date;

(g) any other prescribed condition.

(3) The written notice mentioned in subsection (1) must be served on the following on or before the last date of the section 3 prescribed period:

(a) the PTO's landlord;

(b) any guarantor or surety for the PTO's obligation in the lease agreement;

(c) such other person as may be prescribed.

(4) Upon service of the written notice on the PTO's landlord, the statutory repayment schedule forms part of the lease agreement, and prevails over any term of the lease agreement to the extent of any inconsistency between them.

(5) In this section, "outstanding rent" means the aggregate of rent payable under the lease agreement for the period starting on 1 February 2020 and ending on the last date of the section 3 prescribed period that is outstanding (after the amount of rent waived under Divisions 2 and 3 and any payment made by the PTO), up to a prescribed amount.

When statutory repayment schedule ceases to apply

19Q.—(1) Upon the occurrence of any of the events mentioned in subsection (2) —

(a) the statutory repayment schedule ceases to have effect;

5

(b) the following become immediately payable:

(i) the amount of rent that remains outstanding under the statutory repayment schedule (called in this section the outstanding rental arrears) on the date of the occurrence of the event;

10

(ii) all interest and other charges that would have accrued on the outstanding rental arrears under the lease agreement as of the date of the occurrence of the event had the schedule not formed part of the lease agreement, less any interest paid on those arrears pursuant to the schedule; and

15

(c) the PTO's landlord is entitled to exercise any of the landlord's rights under the lease agreement for non-payment of rent and the interest and other charges mentioned in paragraph (b)(ii).

20

(2) The following are the events mentioned in subsection (1):

(a) the PTO fails to pay a repayment instalment under the statutory repayment schedule within a prescribed time after the date the instalment becomes due under the schedule;

25

(b) the PTO terminates or repudiates the lease agreement during the repayment period in the statutory repayment schedule;

(c) the PTO landlord terminates the lease agreement for any default by the PTO other than a failure mentioned in paragraph (a).

30

(3) On a written demand by the PTO's landlord, the PTO must submit the prescribed documents to the PTO's landlord within

the prescribed time (or such longer time as specified in the demand) if —

(a) subsection (2)(b) or (c) applies; and

(b) at the time of the termination or repudiation of the lease agreement, 2 or more repayment instalments remain outstanding under the statutory repayment schedule.

(4) A person who, without reasonable excuse, contravenes subsection (3) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$5,000.

(5) In subsection (3), “documents” includes a statutory declaration.

Division 6 — Security deposit

Application of this Division

19R.—(1) This Division applies to a security deposit given by (or on behalf of) a PTO of any prescribed property to the PTO’s landlord to secure the payment of rent or the performance of any other obligation of the PTO under the lease agreement for that property.

(2) This Division prevails over any term of the lease agreement to the extent of any inconsistency between them.

Restriction on draw down of security deposit

19S.—(1) This section restricts the entitlement of the PTO’s landlord to draw down the security deposit —

(a) to discharge any outstanding rent or other moneys (including any interest or other charge (however described) on such rent or other moneys) payable for any period during the specified period; or

(b) for any other default during the specified period.

(2) During the period starting on the appointed date and ending on the last date of the section 3 prescribed period, the landlord’s entitlement to draw down the security deposit for any

purpose mentioned in subsection (1) is limited to the amount of the security deposit less an amount representing one month of rent.

(3) In this section and section 19T, a reference to rent is a reference to the amount of rent or other moneys that is used to determine the amount of the security deposit.

(4) In subsection (3) and section 19T(2) —

“appointed date” means the date of commencement of section 15 of the COVID-19 (Temporary Measures) (Amendment) Act 2020;

“specified period” means the period starting on 1 February 2020 and ending on the last date of the section 3 prescribed period.

Duty to replenish security deposit

19T.—(1) This section applies where the PTO’s landlord draws down, during the specified period, the security deposit for any purpose mentioned in section 19S(1).

(2) Where the landlord makes a drawdown mentioned in subsection (1) during the period starting on 1 February 2020 and ending on the date immediately before the appointed date, the PTO must —

(a) in the case where the landlord draws down the security deposit fully — replenish the security deposit by an amount representing one month of rent; or

(b) in the case where the landlord draws down the security deposit partially and the balance of the security deposit is less than one month rent — replenish the security deposit so that the balance of the security deposit amounts to one month of rent.

(3) Subject to subsection (2), where the PTO gives a notice to the landlord under section 19P (on a statutory repayment schedule), the PTO's obligation under the lease agreement to replenish the security deposit (after the landlord's drawdown of the security deposit for any purpose mentioned in section 19S(1)) does not have effect until the earlier of the following:

(a) the expiry of the prescribed period mentioned in section 19P(2)(d)(i);

(b) the cessation of the statutory repayment schedule under section 19Q.

(4) To avoid doubt, subsection (3) does not impose any obligation on the PTO to replenish the security deposit if the lease agreement is not in force when —

(a) the prescribed period mentioned in section 19P(2)(d)(i) expires; or

(b) the statutory repayment schedule ceases to have effect under section 19Q.

Division 7 — Miscellaneous

Request for information or documents

19U.—(1) For the purpose of determining whether a tenant of a prescribed property is a PTO or making an application under section 19M in respect of the PTO, a landlord (including the owner) of the property in the PTO chain may, by written notice to a tenant, require the tenant to provide, within a prescribed time, any prescribed information or document.

(2) Except where the tenant is under a statutory obligation to observe secrecy in relation to the information or the contents of the document sought, the tenant must comply with the notice mentioned in subsection (1).

(3) A tenant who, without reasonable excuse, fails to comply with subsection (2) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000.

(4) It is not a defence to a charge under subsection (1) for a tenant's failure to provide any prescribed information or document sought by the tenant's landlord under subsection (1), that the tenant is under a duty of secrecy (other than a statutory duty of secrecy) in respect of the information or the contents of that document. 5

(5) A tenant who in good faith complies with the notice mentioned in subsection (1) is treated as not being in breach of that duty of secrecy despite any law or the terms of any contract.

Disapplication of section 6 of Income Tax Act 10

19V. Section 6 of the Income Tax Act (Cap. 134) does not apply to the following:

- (a) the disclosure by the Comptroller of Income Tax to —
 - (i) the chief executive officer of the Inland Revenue Authority of Singapore established under section 3 of the Inland Revenue Authority of Singapore Act; or 15

 - of any information required for the performance of the official duties of the chief executive officer or authorised officer in administering or facilitating the administration of the public scheme; 20
- (b) the disclosure by an officer of the Authority (including through a notice of cash grant) to the owner or any landlord or tenant of a prescribed property of information that is relevant for helping the recipient ascertain the recipient's rights and duties under this Part; 25
- (c) the disclosure by an officer of the Authority to the Registrar or a rental relief assessor of any information that pertains to whether a tenant satisfies the prescribed criteria for a PTO, or whether a landlord 30

satisfies the prescribed criteria for a reduction of additional rental relief.

False declaration, etc.

19W.—(1) A person who —

- (a) makes any declaration or statement, or provides any information or document, under or for the purposes of this Part that is false or misleading in a material particular; and
- (b) knows or ought reasonably to know that, or is reckless as to whether, the declaration, statement, information or document is false or misleading in a material particular,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$5,000 or to imprisonment for a term not exceeding 12 months or to both.

(2) Subsection (1) does not affect any right of recovery under section 19E or 19O.

Regulations for this Part

19X.—(1) The Minister may make regulations for or with respect to any matter that is required or permitted to be prescribed or that is necessary or convenient to be prescribed for carrying out or giving effect to this Part.

(2) Without limiting subsection (1), the regulations may —

- (a) provide for different amounts of the rental relief or additional rental relief for different tenants (or classes of tenants) and different prescribed properties (or classes of prescribed properties);
- (b) prescribe the methods for computing the rental relief and additional rental relief, including by providing different methods for computing such reliefs for different tenants (or classes of tenants) and different prescribed properties (or classes of prescribed properties);

- (c) provide for different prescribed periods in section 19P(2)(d)(i) and prescribed amounts in section 19P(5) for different PTOs (or classes of PTOs);
- (d) prescribe the forms to be used and the information or documents to be provided for the purposes of this Part; 5
- (e) provide for the procedure and practice for a proceeding before a rental relief assessor, including requiring the proceedings to be held in private and the treatment of confidential information; 10
- (f) require a party to a proceeding before a rental relief assessor to make a statutory declaration in support of any matter for the purpose of the proceeding;
- (g) provide for the manner in which the Registrar or a rental relief assessor is to exercise his or her functions or perform his or her duties; 15
- (h) provide for the extension by the Registrar or a rental relief assessor of any time within which any document is to be filed or provided; and 20
- (i) provide for the manner of issue or service of any document and when a document is deemed served or received.

(3) Any regulation made under this section may make provision for or in relation to a matter by applying, adopting or incorporating by reference, with or without modification, any regulations made under section 19 or a part of any such regulations, as in force at a particular time or from time to time. 25

(4) The regulations made under this section may provide that any contravention of any provision of the regulations shall be an offence punishable with a fine not exceeding \$5,000 or with imprisonment for a term not exceeding 12 months or with both.”. 30

15

EXPLANATORY STATEMENT

This Bill seeks to amend the COVID-19 (Temporary Measures) Act 2020 (Act 14 of 2020) for the following main purposes:

- (a) to enhance the relief measures provided under Part 2 of the Act for inabilities to perform scheduled contracts due to a COVID-19 event;
- (b) to provide relief from the payment of rent and licence fees in order to mitigate the impact of COVID-19 events on qualifying lessees and licensees of certain non-residential properties;
- (c) to provide relief for a contract affected by a delay in the performance or breach of a construction contract or supply contract due to a COVID-19 event.

Clause 1 relates to the short title and commencement.

Clause 2 provides that the expiry of Part 2 on 19 April 2021 does not apply to certain provisions inserted by this Bill.

Clause 3 amends section 4, which sets out the contracts to which Part 2 applies, to apply that Part to a lease or licence for non-residential immovable property that is renewed in accordance with the terms of the lease or licence on or after 25 March 2020.

Clause 4 amends section 5 to clarify that —

- (a) the section also applies to a case where a party to a scheduled contract *will be unable* to perform an obligation in the contract and the inability is to a material extent caused by a COVID-19 event; and
- (b) where the scheduled contract is an event contract or a tourism-related contract, a party's inability to hold the event in question, or to accept the goods or services in question, on the date agreed in the contract, is considered an inability to perform an obligation in the contract.

Clause 5 inserts a new section 5A which provides for a moratorium on certain actions when a party to a prescribed scheduled contract is or will be unable to exercise a right under a prescribed scheduled contract and the inability is to a material extent caused by a COVID-19 event. After the party has served a notification for relief on the other party to the contract and other prescribed persons, the other party to the contract may not forfeit any consideration paid for the right or carry out other prescribed actions, until the expiry of the period prescribed under section 3, the withdrawal of the notification for relief, or a determination by the assessor that the case is not one eligible for the moratorium. The Minister may, by regulations, disapply any of these actions to a description of scheduled contracts or apply any of those actions with modifications.

Clause 6 amends section 7 which currently provides (among other matters) that the fact that the inability to perform the obligation was to a material extent caused by a COVID-19 event is a defence to a claim for the payment of a cancellation fee under an event contract or a tourism-related contract. The amendment provides that this rule does not apply if the notification for relief is withdrawn, or an assessor determines that the case is not one to which section 5 applies, or the payment of the cancellation fee or part of it is just and equitable in the circumstances of the case.

Clause 7 inserts new sections 7A and 7B.

The new section 7A provides for relief from the payment of interest or other charges under prescribed scheduled contracts where the subject inability is the inability to pay money on time. The debtor is only liable to pay the late interest or charge that does not exceed a prescribed rate or charge. In addition, the creditor may not terminate the contract on the basis of the subject inability.

The new section 7B provides for relief from the payment of charges under any law or contract for holding over after the termination or expiry of a lease or licence

of non-residential immovable property, if the holding over is caused by a COVID-19 event and prescribed conditions are satisfied.

Clause 8 amends section 8 —

- (a) to criminalise the taking of action in relation to an inability to exercise a right in breach of the new section 5A(2), and the termination of a contract on the basis of the inability to pay money on time in breach of the new section 7A(5);
- (b) to render void the forfeiture of a consideration for the inability to exercise a right in breach of the new section 5A(2);
- (c) to render invalid the termination of a contract in breach of the new section 7A(5); and
- (d) to make certain amendments to the section so that they can apply to other scheduled contracts where appropriate.

Clause 9 makes amendments to section 9 arising from the new section 5A. It provides that, in a case mentioned in the new section 5A, a party to the contract may apply for an assessor's determination whether it is just and equitable in the circumstances of the case to extend the period for exercising the right or for the consideration paid for the right to be refunded wholly or in part. The clause also amends section 9 to enable an application to be made for an assessor's determination whether (in the case of an event contract or a tourism-related contract) it is just and equitable in the circumstances of the case for a cancellation fee under the contract to be paid wholly or in part.

Clause 10 amends section 13 —

- (a) to require an assessor to make a determination whether the case in question is one to which the new section 5A applies;
- (b) to require an assessor to make a determination (in a case to which the new section 5A applies) whether it is just and equitable in the circumstances of the case to extend the period for the exercise of the right or for the consideration paid for the right to be wholly or partly refunded; and
- (c) to require an assessor to make a determination (in the case of an event contract or a tourism-related contract) whether it is just and equitable in the circumstances of the case for a cancellation fee under the contract to be paid wholly or in part.

Clause 10 also amends section 13 to set out certain further determinations that an assessor may make. These include —

- (a) discharging certain contracts, and releasing and discharging parties from their obligations;

- (b) requiring an amount of deposit to be offset against money owed under the contract; and
- (c) requiring a party to pay reasonable costs incurred by another in performing the contract.

Clause 11 inserts a new section 13A to enable an assessor to make subsequent determinations after an initial determination has been made. A subsequent determination may vary or replace the earlier determination, grant an extension of time for a party to make a payment under the earlier determination, and require parties to attend before the assessor for a further review of the matter and to make a further determination.

Clause 12 amends section 14 to enable a party to a proceeding before an assessor to be represented by an advocate and solicitor if permitted by the assessor.

Clause 13 inserts a new section 15A which imposes a duty of confidentiality on a party to a proceeding before an assessor as regards statements and documents submitted, created or made for those proceedings and information disclosed during the proceedings. Breach of the duty is a criminal offence and a party injured by the breach may take civil action against the person in breach.

Clause 14 amends section 19 to enable regulations to be made to require the procedure and practice for proceedings before an assessor to be held in private, and regulations concerning the treatment of confidential information in those proceedings.

Clause 15 inserts a new Part 2A which provides for rental relief and related measures for qualifying lessees and lessors (defined in Part 2A) of certain non-residential immovable properties.

The new Part 2A comprises 7 Divisions.

The new Division 1 (comprising sections 19A, 19B and 19C) sets out preliminary provisions for the Part.

The new section 19A sets out the purpose of the Part.

The new section 19B defines certain terms used in the Part.

The new section 19C sets out the lease agreements to which the Part applies.

The new Division 2 (comprising sections 19D to 19I) provides for rental relief (called the rental relief) that follows the issue of a notice of cash grant under a public scheme that was announced in the Government's Budget Statement of 26 May 2020.

The new section 19D provides that the Inland Revenue Authority of Singapore (called the Authority) may disburse a cash grant to the owner of a prescribed property under the terms of the public scheme.

The new section 19E provides that regulations may be made for the Authority to recover a cash grant on specified grounds, and for the consequential reversal of any rental relief under the new Part 2A.

The new section 19F provides that before the Authority disburses a cash grant, it must issue to the owner of the prescribed property a notice of cash grant. A notice of cash grant pertains to a prescribed tenant-occupier (called a PTO) of the property or a part of it. The section requires the owner and every tenant of the property in the chain of landlords and tenants that ends with the PTO (called a PTO chain) to pass a copy of the notice to their respective tenants in that chain. In relation to property owned by the Government, a statutory board or a prescribed person, the Authority may issue a nominal notice in lieu of a notice of cash grant where no cash grant is disbursed for such properties.

The new section 19G provides for a moratorium on certain actions by certain landlords in a PTO chain of a prescribed property to recover rent from their tenants in the PTO chain. The moratorium is between the date of commencement of the new Part 2A and the earlier of the date of the notice of cash grant or a prescribed date.

The new section 19H provides that on the date the owner of a prescribed property receives a notice of cash grant pertaining to a PTO of the property, rent payable by each tenant of the property in the PTO chain of a prescribed amount for a prescribed period in the period between 1 April 2020 and the end of the section 3 prescribed period (called the relevant period) is waived along with any interest or charge on the waived rent. Accordingly, the tenant is not liable for the rent for the period up to the prescribed amount or any interest on that amount. If any rent for the prescribed period has already been paid, the payment will be offset against rent payable for future months of the lease or licence. If this is not possible or if there is any balance left after the offset, the tenant may recover the prescribed amount or the balance from the landlord.

The new section 19I enables the Authority to require a person to provide information or documents to enable the Authority to administer the public scheme.

The new Division 3 (comprising section 19J) provides for additional rental relief for each tenant in a PTO chain (called the additional rental relief).

The new section 19J provides that on the date the owner of a prescribed property receives a notice of cash grant pertaining to a PTO of the property, rent payable by a tenant in the PTO chain of a prescribed amount for an additional period in the relevant period is waived along with any interest or other charge on the waived rent. The same consequences described above as regards the new section 19H apply to the additional rental relief.

The new Division 4 (comprising sections 19K to 19O) establishes a regime for determining the entitlement of a tenant for the rental relief or additional rental relief, or a reduction of the additional rental relief on certain grounds.

The new section 19K requires the Minister to appoint a Registrar of rental relief assessors (called the Registrar).

The new section 19L requires the Minister to appoint a panel of rental relief assessors.

The new section 19M provides that a landlord may apply to the Registrar to appoint a rental relief assessor to make a determination on any of the following grounds:

- (a) whether a person who is purportedly the PTO of a property satisfies the prescribed criteria for a PTO;
- (b) whether the PTO satisfies the prescribed additional criteria for the additional rental relief;
- (c) whether the landlord satisfies the prescribed criteria for a reduction of the additional rental relief.

The new section 19N deals with the determinations that a rental relief assessor may make on an application by a landlord. It also applies with modifications provisions in Part 2 to proceedings before a rental relief assessor, and to the Registrar and rental relief assessors.

The new section 19O provides for the consequences for various determinations of a rental relief assessor.

If a rental relief assessor determines that the person purportedly the PTO does not satisfy the prescribed criteria for a PTO, then the rental relief and additional rental relief given to each tenant are reversed.

If a rental relief assessor determines that the PTO does not satisfy the prescribed additional criteria for receiving the additional rental relief, then the additional rental relief given to each tenant is reversed.

If a rental relief assessor determines that the landlord satisfies the prescribed criteria for a reduction of the additional rental relief, then the relief will be reduced by a prescribed proportion.

The new Division 5 (comprising sections 19P and 19Q) provides for a statutory repayment schedule for rental arrears (that are not waived under Divisions 2 and 3) for any period starting on 1 February 2020 and ending on the last date of the section 3 prescribed period.

The new section 19P provides that a PTO that satisfies the additional criteria for the additional rental relief, may by notice to the landlord and other parties elect to pay those rental arrears up to a prescribed amount, in accordance with a statutory repayment schedule. The section sets out the conditions which the schedule must comply with, including —

- (a) the maximum interest rate that may be charged on the arrears;

- (b) the maximum repayment period; and
- (c) the date of payment of the first instalment.

Upon service of the notice on the PTO landlord, the statutory repayment schedule forms part of the lease agreement and prevails over the terms of the agreement to the extent of any inconsistency.

The new section 19Q sets out the situations where a statutory repayment schedule ceases to have effect, whereupon all outstanding rental arrears (together with interest that would have accrued had the schedule not formed part of the lease agreement) become immediately payable.

The events are —

- (a) non-payment of an instalment within a prescribed time after the due date in the schedule;
- (b) termination or repudiation by the tenant of the lease agreement during the repayment period; and
- (c) termination of the lease agreement by the landlord for any default of the tenant other than the non-payment mentioned in paragraph (a).

Where an event mentioned in paragraph (b) or (c) has occurred, the landlord may demand the PTO to submit certain documents to the landlord.

The new Division 6 (comprising sections 19R, 19S and 19T) deals with a security deposit given by a PTO under the lease agreement.

The new section 19R specifies the security deposits to which Division 6 applies.

The new section 19S limits the right of the landlord to draw down the security deposit during the period starting on the date of commencement of clause 15 and ending on the last date of the section 3 prescribed period. The landlord may not draw down the security deposit such that the remaining amount of the deposit is less than one month of rent.

The new section 19T provides that where the landlord draws down the security deposit during the period specified in the section, the tenant must replenish the security deposit to a specified amount.

The new Division 7 (comprising sections 19U to 19X) provides miscellaneous matters for the new Part 2A.

The new section 19U enables a landlord of a prescribed property in a PTO chain to require a tenant to provide the landlord information or documents for the purpose of determining if the tenant is a PTO or for making an application for a rental relief assessor's determination.

The new section 19V disapples the duty of secrecy under section 6 of the Income Tax Act (Cap. 134) so that information obtained pursuant to that Act may be disclosed —

- (a) for the administration of the public scheme;
- (b) to owners, landlords and tenants of immovable property to ascertain their rights and duties under the new Part 2A; and
- (c) to the Registrar and rental relief assessors, where the information pertains to whether a tenant qualifies as a PTO, or whether a landlord satisfies the criteria for a reduction of the additional rental relief.

The new section 19W criminalises the making of a false declaration or statement to any person under the new Part 2A.

The new section 19X is a regulation making power for the purposes of the new Part 2A.

Clause 16 inserts a new Part 8.

The new section 36 provides that Part 8 applies to a contract (called in Part 8 the affected contract) that —

- (a) does not fall within such description of contracts as may be prescribed;
- (b) is in force during the prescribed period (or any part of it); and
- (c) is, on or after 1 February 2020 and before the expiry of the prescribed period, affected by a delay in the performance by a party to a construction (or construction-related) contract or supply (or supply-related) contract, or a breach of such contract, where such breach or delay —
 - (i) occurs on or after 1 February 2020 and before the expiry of the prescribed period; and
 - (ii) is to a material extent caused by a COVID-19 event.

The new section 37 provides for the making of an application to the Registrar to appoint an assessor to make a determination whether the case is one to which the new Part 8 applies and if so, whether it is just and equitable in the circumstances of the case —

- (a) for any prescribed obligation or prescribed right under an affected contract to be performed or exercised in a manner other than in accordance with the terms of the contract; and
- (b) for any prescribed term in the affected contract to be varied, released or discharged.

The new section 38 deals with the determinations which an assessor is to make on an application for determination. It allows the assessor to take into account

prescribed factors and requires the assessor to seek to achieve an outcome that is just and equitable in the circumstances of the case.

The new section 38 also provides that the determinations made by an assessor under the new Part 8 may, with the leave of court, be enforced as a judgment or an order of the court. Where leave of court is granted, judgment may be entered in the terms of the determination.

Finally, the new section 38 also provides that a determination is binding on all parties to the application and all parties claiming through or under them, and further that there is no appeal from the determination.

The new section 39 empowers the Minister to make regulations for carrying out the purposes and provisions of the new Part 8. The regulations may —

- (a) provide for a party to an affected contract to be required to perform an obligation under the contract in a manner other than in accordance with the terms of the contract;
- (b) provide for a party to the affected contract to be allowed to exercise a right under the contract in a manner other than in accordance with the terms of the contract;
- (c) provide for any obligation or right under the affected contract to be varied, released or discharged; and
- (d) provide for the use of an alternative method of dispute resolution, such as mediation, to manage and resolve any dispute between the parties to the affected contract.
