(b) all sums representing the proceeds of loans raised under this Act;

(2) The Fund shall be regarded as a Government fund and as comprising public moneys for the purposes of any other written law.

(3) For the purposes of subsection (1) (d), the net income from investments shall be the amount ascertained by adding to, or deducting from, the income received from investments of moneys in the Fund any profit derived or loss sustained, as the case may be, from the realisation of such investments.

Purposes of Fund

4.—(1) The moneys in the Fund may be withdrawn and applied for all or any of the following purposes only:

(a) to invest in, subscribe for or acquire any securities in any public authority, corporation or body corporate for any developmental purpose;

(b) to form or to participate in the formation of any company for any developmental purpose;

Responsible Ministers in charge of accounts in Fund

6.—(1) The Minister may, if it appears to him expedient in the interests of the improved management and sound and more efficient investment of any part of the moneys in the Fund, by order direct that, as of a date appointed in that order, an account within the Fund shall be established comprising those moneys and placed under the control, supervision and management of a Minister who is assigned in that order (referred to in this Act as the responsible Minister).

(2) In the discharge of his functions in relation to the Fund or an account established under subsection (1), it shall be the duty of the Minister or responsible Minister, as the case may be —

- (a) to manage the Fund or account, as the case may be, so that the revenue of the Fund or account is not less than sufficient to meet expenses which are properly chargeable to the Fund or account;
- (b) to establish and adhere to investment policies, and adopt standards and procedures that a reasonable prudent person would apply to a portfolio of investments to avoid undue risk of loss and to obtain a reasonable return; and
- (c) in the case of the responsible Minister, to achieve such specific developmental objectives as the Minister may from time to time by order under subsection (1), after consultation with the responsible Minister, determine to be desirable of achievement.

Expenses

Withdrawals

9.—(1) No moneys shall be withdrawn from the Fund or any account established under section 6 (1) unless they are charged upon the Fund or are authorised or directed to be withdrawn or transferred under this Act.

(2) No payment shall be made out of the Fund unless the payment is authorised by the Minister or, in the case of moneys in an account established under section 6 (1), unless the payment is authorised by the responsible Minister in charge of that account.

PART III
